Fold A

Fold B

**Instructions:**

- 1 Cut along all the thick lines.
- 2 Fold along fold A and then B.
- 3 Carefully cut out the small holes, then unfold fold B.
- 4 Place the slider inside the base, then tape along the edges of the base, being careful not to let the tape touch the slider.

- 5 Gently pull the slider to see the hidden message!

6 Can you create your own hidden message on the other side?
